

SUMMER SCHOOLS FOR THE MILITARY

Dates Fixed for Joint Regular Army Field Artillery Camps.

BENEFIT OF OFFICERS OF THE NATIONAL GUARD

System of Instruction to Be Followed, in Which District Militia Will Participate.

Plans are about completed for the summer schools for National Guard officers, joint regular army field artillery camps and joint sanitary camps. At Tobyhanna, Pa., and Sparta, Wis., the medical department will hold its joint encampments in conjunction with the field artillery. The system employed for the instruction of National Guard field artillery will be the same as that which was used at Tobyhanna last year. Besides Tobyhanna, camps will be held this year at Anneton, Ala.; Sparta, Wis.; Fort Riley, Kan.; Fort Sill, Okla., and Monterey, Cal. Previous to the opening of the joint camps, officers' schools will be held at the following places: the exception of Anneton and Fort Sill, the exception of Anneton and Fort Sill.

According to reports received at the War Department, there will be at the Tobyhanna camp one of the largest schools ever held. The District of Columbia will send three non-commissioned officers; Connecticut, two commissioned and three non-commissioned officers; New Jersey, one commissioned and five non-commissioned officers; Massachusetts, all of the officers at the headquarters of the 1st Battalion, Field Artillery, and an additional commissioned officer, two non-commissioned officers from Battery A, two commissioned and eight non-commissioned officers from Battery C, Pennsylvania will send ten commissioned officers, Rhode Island four non-commissioned officers, Louisiana seven commissioned officers and three non-commissioned officers, New York state has not sent in its list, but it is understood that forty commissioned and non-commissioned officers at least will attend from that state.

Dates for Artillery Camps.
The following are the dates of the joint army and militia field artillery camp at Tobyhanna, Pa., and the organizations so far announced that will attend:

New Jersey, Battery A, June 16-25; Battery B, June 18-27.
Rhode Island, Battery A, June 20-27.
Massachusetts, 1st Battalion, July 7-16.
Connecticut, Battery A, July 15-27.
District of Columbia, 1st Battalion, July 15-27.
Virginia, 1st Battalion, July 28-August 1.
Pennsylvania, Batteries A, B, C and D, August 16-27.
The 2d Battalion of the 3d Field Artillery, stationed at Fort Myer, goes to Tobyhanna. The troops will leave Fort Myer May 15, and will be at the following places on route: Gaithersburg, Frederick, Emmetsburg, Hedgesburg, Shreemstown, Lees Ferry (the overland route), Chapman, Birmingham, Shinnery, Wilkesbarre and Stoddardsville. The field hospital, No. 6 and ambulance No. 6, at the Walter Reed hospital, will make the march with the 2d Battalion from this city.

Course of Instruction.
The War Department has completed all arrangements for conducting a very thorough and complete course of instruction during the coming summer for the military troops of the organization. The instruction will be divided into two classes: First, camps of instruction for officers and non-commissioned officers of the militia; second, joint camps of instruction for field hospital companies and ambulance companies. In connection with the camps of instruction arrangements also have been made for giving the officers of the Medical Reserve Corps, United States Army, in active list, the benefit of this work, the plan being to conduct the camp for a period of two weeks, the first week to be for the militia officers, the second week for officers of the Medical Reserve Corps, who at the present time number nearly 1,400, all of whom are subject to call in time of need and few of whom have ever had any field experience.

For these camps a schedule of instruction, including both theoretical and practical work, has been devised, which will begin Monday morning and terminate the afternoon of the following Saturday. It is contemplated to provide at these camps a complete field hospital, ambulance company, regimental infirmary and such other equipment as will be necessary to offer every facility for giving a thorough and practical course of instruction.

The new equipment which has been adopted by the general staff for the military troops, also will be used at these camps, thereby giving all who attend an opportunity to familiarize themselves with it.

For Sanitary Work.
The dates and states assigned to the sanitary camp at Tobyhanna are as follows:
June 21-27, for militia officers and non-commissioned officers of the New England states, New York, New Jersey, Pennsylvania, Delaware, Virginia, West Virginia, Maryland and the District of Columbia; and June 28 to July 3, for officers, Medical Reserve Corps, U. S. A., inactive list.
A schedule for the joint camp of instruction for field hospitals and ambulance companies of the militia, one field hospital and one ambulance company of North Carolina; from July 15 to 23, two field hospitals of Pennsylvania; one ambulance company of Tennessee; July 26 to August 4, one field hospital and one ambulance company, New Jersey; one field hospital and one ambulance company, Connecticut; August 6 to 14, one ambulance company, New York, and one field hospital, District of Columbia.

ENTITLED TO RECOVER.
Appellate Court Affirms Judgment in Favor of James Sharp.

The District Court of Appeals today affirmed a decree of the District Supreme Court in favor of James Sharp, who sought to recover the purchase price of the acreage of a parcel of land sold to him by Mary E. Dolin. The land was in Virginia and was sold as containing 500 acres at \$20 per acre. A survey showed a shortage of 100 acres, and although the representation was made in good faith and as the result of a mutual mistake, the purchaser may recover the cost of the shortage, the court holds. Such relief will be afforded by equity, says the court, even when the purchaser is taken upon the premises and shown the boundaries.

17 EVENTS ON FOR HORSE SHOW TODAY

Army Teams to Contest for Challenge Cup in Last Number on Schedule.

E. B. McLEAN ANNOUNCES ENTRANCE OF THE WASP

First Appearance Here of Famous Mount From Sifton Stable of Canada—Hunt Club Notice.

The second day's program of the National Capital horse show of 1915 began at 2 o'clock this afternoon, with every prospect of an interesting day's sportsmanship, and with seventeen events scheduled, including harness races, hunters, polo ponies and others. The army teams will contest for the army challenge cup as the last event of this afternoon's schedule.

Edward B. McLean announced today that he will show The Wasp, which he recently purchased at auction in New York, upon two occasions during the present show. One will be in the open jumping contests and the other will be in the high jumps. Much interest attaches to this horse, which has never before been shown in Washington. Mr. McLean obtained it from the sale of the Sifton stable of Canada, when those famous horses were recently disposed of in New York.

Love of Horses Cost Him Life.

One of the most interesting stories told at the show this afternoon was to the effect that Alfred Gwynne Vanderbilt, who is believed to have perished in the Lusitania tragedy, lost his life for the love of his horses. Mr. Vanderbilt was making the trip to Europe for the purpose of personally supervising the getting out of France of his racing stable.

He had been urged not to go to Europe at this time, but felt that he must do so to see that his racers were safely gotten to the United States. Mr. Vanderbilt's other horses, a number of which were sent to Washington to compete in the present show, were withdrawn, and left Washington yesterday for the Newport, R. I., home of their late owner.

MEXICAN GENERAL KILLED AT DANCE

Zapata Officer Slays Chief of Staff of Convention President During Brawl.
Gen. Antonio Barona, a Zapataista general, killed Gen. Francisco Estrada, chief of staff of Gen. Gonzalez Garza, Sunday morning in a brawl at a dance hall in Mexico City, according to a dispatch from Gen. Carranza to his confidential agency here today, which said:

"Estrada was first stabbed by Barona and then shot. Barona then went to the Hotel Lascruin, in Mexico City, in search of Gen. Juan Banderas, against whom he held a personal grudge, and there occurred a fierce fight between the followers of the two chiefs. According to the statement of Gonzalez Garza, fifty persons were killed. The minister of war issued a statement saying there was no cause for alarm, and that the disorders had been caused by Gen. Barona."

Attempt to Slay Garza.
An attempt to assassinate Roque Gonzalez Garza, the convention provisional president of Mexico, was made yesterday by troops led by Gen. Barona, former military commander of Mexico City, according to dispatches from the Mexican capital last night. Barona's troops were repulsed after severe fighting, with losses to both sides.

A critical situation is said to exist within the capital as a result of the rupture between Gen. Zapata and Gen. Garza, and the dispatches said "grave events" were feared. Zapata was said to have sent a telegram to the convention demanding the Gen. Pinafo, who was put out of the cabinet by Garza, be immediately restored to office.

Gen. Zapata's forces dominate the territory south of Mexico City and are

believed to be able to control the capital itself, as Gen. Villa, with the main army of the convention government, is operation farther north against Gen. Obregon, who is between him and the capital.

Duval West Reaches Washington.
Duval West returned here yesterday to report in person the results of his investigations.

Mr. West found government officials so thoroughly absorbed in the situation produced by the Lusitania disaster that he decided to await until today before arranging for conferences.

When he arrived at his hotel here he found a letter from an intimate friend, Dr. S. F. Pearson, written the day before the Lusitania sailed. Pearson was one of those lost in the disaster. It is not believed the President will be able to discuss Mexican affairs for several days, or until he has shaped the policy of the government in the European situation.

PROMOTED FROM RANKS TO THE GRADE OF ENSIGN
Wilbert E. Locklin and Charles S. O'Connor Commissioned for Service in District Naval Battalion.

Commissions in the Naval Battalion of the National Guard of the District of Columbia today were issued by the Navy Department to Ensigns Wilbert E. Locklin and Charles S. O'Connor. The former is to rank from March 3, and the latter from March 4, 1915.

Both are promotions from the ranks. Locklin was first-class electrician, and a member of the 3d Division. O'Connor has been connected with the organization in various lines for several years. At the time of his promotion he was a chief hospital steward on the staff of Lieut. Frederick H. Morhart, surgeon.

Other Commissions Signed.
Other commissions in the local naval militia signed today by Secretary Daniels were Lieut. Frank W. Sigmour, to rank from November 1; Harold Crawford to be navigator, to rank

rank from November 2; Lieut. William J. Wheatley, junior grade; F. L. Mudde, to rank from October 31; Lieut. (junior grade) W. R. Hofer, to rank from November 1; Lieut. (junior grade) P. V. Thompson, to rank from November 2; Lieut. (junior grade) William J. Wheatley, to rank from November 3; and Ensign W. H. O'Donohue, to rank from November 1.

CONFIRMATION OF CLASSES.

Bishop Harding Officiates at Three Church Services Yesterday.
At the Church of the Ascension, on Massachusetts avenue, yesterday morning Bishop Harding confirmed a large class of candidates prepared by Rev. Dr. J. Henning Selms, pastor.

Bishop Harding in the afternoon officiated at a second service in Bethlehem Chapel at the Cathedral, when he confirmed a large number of students of the Cathedral School for Girls. The young women, clothed in white, kneeling before the flower-decorated altar, made a beautiful picture.

At 8 o'clock last night Bishop Harding confirmed a class in St. George's Chapel of St. Alban's parish.

GEORGETOWN WINS DEBATE.

Defeats Boston College Second Time in Seven Years.
Georgetown was winner in the annual debate with the team from Boston College, held in Gaston Hall last evening. This was the second time in seven years the local team was victor. The decision in its favor was unanimous. The winning team comprised W. St. John Garwood, Rufus S. Lusk and William J. Cullinan, while Boston was represented by Edward A. McLaughlin, Brandon J. Mahoney and Edward J. Brandon. William E. Leahy presided.

"That the federal government should adopt a policy of building up a merchant marine by subscribing for 51 percent of the capital stock of a corporation to be engaged in the foreign trade," was the proposition debated. Georgetown had the negative argument. About a thousand persons attended the debate. The judges were Justice Robert M. Montgomery of the United States Court of Customs Appeals, chairman; Justice Charles H. Robb of the Court of Appeals of the District; Dr. Henry J. Harris, Allen C. Clark and James W. Looney.

Fire Damages Fruit Stand.
Joseph March's fruit stand, at 335 Pennsylvania avenue northwest, was damaged by fire of unknown origin yesterday about noon. A large crowd was attracted to the scene. The damage amounted to about \$25.

The mineral production of New Hampshire in 1913 was valued at \$2,218,923, according to federal reports, the quarries contributing two-thirds, or \$1,482,771.
